

INFORMED CONSENT FORM

Version number: [01]

Date of creation: [03.07.2024]

I hereby declare that:

1. I have read the *Information for The Questionnaire Participant*.
2. I have been informed about the purpose of the study entitled "*Mapping of cancer navigation/support programs worldwide*", part of the EU Navigate "*Implementation and Evaluation of a Navigation Intervention for People with Cancer in Old Age and their Family Caregivers: An International Pragmatic Randomized Controlled Trial*".
3. I have had the opportunity to ask questions and have received answers to these questions.
4. I understand what the study to which I have been invited to participate is about.
5. I understand the risks and benefits associated with my participation in the study.
6. I understand that my participation in the study is voluntary and that I may refuse to participate or withdraw from the study at any time, without giving a reason.

In consideration of the above, I **give my informed and voluntary consent to:**

1. Participation in a study entitled "*Mapping of cancer navigation/support programmes worldwide*",
2. to process my data **collected during the study and stored at the** Laboratory for Research on Aging Society, in the Department of Sociology of Medicine at The Chair of Epidemiology and Preventive Medicine, Medical Faculty, Jagiellonian University Medical College, to the extent necessary for the implementation of the Study, however, subject to confidentiality regarding my person,
3. use of data concerning me in anonymous form for the preparation of publications and scientific presentations.

In addition, I **give my informed and voluntary consent to:**

Storage, transmission, and use of collected data to:

- continuation of the current research by the same research team,
- continuation of the current research by another UJ/UJCM research team,
- continuation of the research by another research team from outside UJ/UJCM, from other countries, both within and outside Europe
